

VSO P&P Proposed Addition

“A Process for naming a Draft American National
Standard for Trial Use”

New ANSI Requirements

- Tighter Restrictions to naming a draft a “Trial Use Standard”
- Must not be used to put an emergency standard in place.
- Must meet ANSI patent policy
- SDO must have an appeals process if someone objects.

VSO P&P Proposal

- Add section 10.9 to VSO P&P
- Establishes how and by whom a draft would be so designated.
- Establishes an appeals process.
- Incorporates all ANSI requirements.
