

VITA 50

Best Practices: Electronic Cooling

VITA 50

- General Overall Document Organization:
 - Heat removal form Hot Surface
 - Moving Heat
 - Disposal of Heat

VITA 50

- Gathering applicable:
 - Presentations
 - Papers
 - Graphs
 - Etc.

VITA 50

- Preparing Overall Outline now
- When overall Outline is approved by Working Group:
 - Decide which gathered material to use
 - Make the chosen material consistent
 - Get permission & give full credit
 - Recruit needed material

VITA 50

- Current Challenge:
 - How best to quickly and easily guide readers to the cooling methods that can solve their problems.
 - Goal: Enter a chart with heat load and max temperature and get list of possible cooling methods.
